

Offering Free Benefits to Employees and Employers Alike

Let us help you save on Workers' Compensation.

A new FREE service

TotalBen can work with your payroll service provider to offer

Payroll Integration

premiums based on your actual payroll and on a per-payroll basis. We can also provide audit for policies to find potential credits or refunds.

Better than traditional workers' comp...

- No premium down payment
- Improves cash flow
- Electronic withdrawal of payment
- Year-end insurance audit liability minimized
- No paper invoices
- No hassle gathering year-end insurance audit data
- Full service insurance agency support
